

# Christmas NewsLetter 2025

**FERNHILL HEATH BAPTIST CHURCH**

**O'Keys Lane WR3 8RL** (alongside the Post Office)

Do you know the real reason why birds fly south for winter? Apparently, it's too far to walk.

Last August I was out walking with my nephew Mark on the Malvern Hills. We were chatting and taking photos of any birds that we spotted.

We came across a Stonechat. I had never seen one before, never mind trying to take a photo. Yet we managed to capture some good pictures.

It dawned on me recently, since taking a little interest in wildlife photography and especially birds, I've seen more varieties of birds than ever before. Of course, the reason is that I'm out looking for them. The birds have always been there; I just never took the time to look.

I was on official duty at Sixways in November for Worcester City FC's time of remembrance. The two minutes silence was observed impeccably by all the supporters. Before the game I was stood by the

British Legion stand as people bought their poppies. Like many Baptist Ministers I don't usually wear a 'dog collar' but on this occasion I did.

Everyone at the game were their usual chatty selves, but one person came up to me and said "I don't believe in God", to which I replied, "that's ok... God believes in you." You see we might not go looking for God, but he is there and here is an amazing promise; in the bible God says in Jeremiah 29:13

*When you search for me, you will find me;  
if you seek me with all your heart,*

Christmas is an amazing opportunity to look for God, because at Christmas, God in his son Jesus has come close to us. Why not make this Christmas a time to genuinely seek God... you may be surprised to find he's been waiting for you all along.

May God bless you and your family this Christmas
